PGI Commercial Adds Restaurant Program and Opens a Branch Office

Morristown, NJ – February 1, 2007. PGI Commercial (PGIC), the U.S. program manager of Bermuda-based insurance distributor Primary Group Limited, today announced that it has added an underwriting team and opened a branch office in Troy, Michigan. The unit will specialize in providing Liquor Liability and BOP coverage for hospitality risks.

Susan Fowler and Elizabeth Hurcomb, of Fowler & Associates, have agreed to join PGIC effective February 1, 2007. They will bring their staff and existing facility which is approved to write restaurants, bars, taverns and retail stores in the State of Michigan.

Richard Trezza, president of PGI Commercial, was enthusiastic in welcoming the new team members: "We are excited to have Susan, Libby and their staff joining our organization. The addition of this unit continues our strategy of growing the business through the addition of specialty programs and niche product segments."

Susan Fowler added, "The established platform and distribution network of PGIC will allow us to process business much more efficiently and hopefully expand the facility into additional states."
