### **PGI COMMERCIAL LAUNCHES AN EXPANDED PROGRAM FOR HOSPITALITY RISKS**

**MORRISTOWN, NJ, April 29, 2009** – PGI Commercial today announced the establishment of a comprehensive program for restaurants and other hospitality risks. Coverage is provided by member companies of American Safety Insurance Group which carry an “A” (Excellent) VIII rating by AM Best.

The facility is open to restaurants, bars, taverns, pubs, distributors, special events and liquor stores. It is currently approved on an admitted basis in MI and available on a non-admitted basis in IL, IN, OH and WI.

Coverages available include property, general liability, liquor liability, crime and hired and non-owned automobile. Property limits of up to \$5,000,000 are available. In addition, a hospitality enhancement endorsement has been specifically designed to include the ancillary coverages that are most important to the hospitality industry.

Susan Fowler, Branch Manager of PGI Commercial’s Troy, MI office stated, “We are excited about the new program and our relationship with American Safety. Having admitted, A paper has become critical to compete in this class segment. Also, the increase in property capacity to \$5,000,000 will now allow us to add fine dining restaurants with higher values to complement our current book of family style restaurants”

Insurance producers who would like more information about this product should contact Susan Fowler at 248-528-1155 extension 201.
